## **Admission Process for Akshara English Medium School (State)**

Admissions to Akshara English Medium School are conducted in a clear and structured manner in accordance with the curriculum prescribed by the Karnataka School Examination and Assessment Board (KSEAB).

Our school offers classes from **Grade VI to Grade X** under the Karnataka State Board syllabus.

**Direct admission is granted to Grade VI**, subject to eligibility criteria and submission of the required documents.

For **admissions to Grades VII to X**, students are required to appear for an entrance assessment appropriate to their grade level. The assessment is based on the Karnataka State syllabus and is designed to evaluate the student's foundational understanding in core subjects such as English, Mathematics, and General Science/Social Studies. This helps the school ensure that the student is academically prepared to adapt comfortably to the curriculum.

Shortlisted candidates, along with their parents or guardians, will be invited for an interaction with the school authorities as part of the admission process.
